INTRODUCTION.

THE tenth volume of the Society's publications contains a list of the Lancashire Wills preserved in Somerset House, London, and proved at Richmond from A.D. 1457 to 1680. The present volume brings the list down to the year 1748, the latest date of the wills, which were removed from Richmond to London in 1874 (see Introduction to List of Lancashire Wills, 1457 to 1680). The wills of the five western deaneries of the Archdeaconry of Richmond from 1749 to 1857 are now at the Probate Office in Lancaster. When the Probate Act of 1857 came into force, wills ceased to be proved at Lancaster.

It may be well to repeat (see Introduction to vol. i.) that the deaneries and hundreds are not exactly co-extensive; for example, Ribchester and Chipping are in the hundred of Blackburn and the deanery of Amounderness.

The wills enumerated in the present volume are for the most part written on paper, and are tied up in bundles arranged under the deaneries in alphabetical order, and although some of them have suffered from damp and neglect, they are in better condition than the older ones.

The original indexes are written in separate volumes

for each of the deaneries, but in this and the preceding volume the whole of the wills are arranged in strict alphabetical order, irrespective of the deanery in which the testator died.

This arrangement will be found of advantage to the genealogical student, and it furnishes many striking examples of the way in which families lingered in the district from which they derived their name. Thus, out of one hundred and fifty testators of the name of Fell, the whole of them, except ten, lived in the Furness deanery; the families whose names end in "thwaite" are mostly found in Kendal or Furness. The Swarbrecks are all in Amounderness, and the Tathams in Lonsdale.

For permission to print this list the Society is indebted to Sir James Hannen, President of the Probate Division of Her Majesty's High Court of Justice; and I must acknowledge my personal indebtedness to G. H. Rodman, Esq., of the Principal Probate Registry, for much valuable assistance.

HENRY FISHWICK.

THE HEIGHTS, ROCHDALE.
March, 1886.

EXPLANATION OF ABBREVIATIONS USED IN THIS VOLUME.

"INV" *means Inventory, and is only inserted where there is no will or administration. Where there is a will the inventory or other document is not named.*

"ADMON" *means an Administration Bond, without a will.*

"ACCT" *means Account given by Executors or Administrators.*

"TUŌN" *or* "CURON BOND" *means a Bond given for the guardianship of the infant children of deceased.*

"*A*," "*F*," "*K*," "*L*," *at the end of description, indicate the deanery in which the papers are filed (Amounderness, Furness, Kendal, or Lonsdale).*

NOTE.

The original spelling of surnames as in the MS. index has been followed.

The words in square brackets [ ] *are not in the original MS. In the case of two names a double entry has been made, thus Loxam* alias *Davis will be found under Davis and Loxam. In cases of variety of spelling, cross-references have been inserted.*
